## **5.0 Ties in League Standings**

In order to determine playoff pairings, ties between teams in the same school classification shall be broken by comparing the league records of the teams tied.

- 5.1 If two or more teams are tied the following criteria will be applied, in order:
- a) The team having the best ratio of won/lost matches, considering matches between the tied teams, will be ranked higher;
  - b) The team having the best ratio of won/lost games considering matches played between the tied teams, will be ranked higher;
  - c) The team having the best ratio of won/lost games, considering all matches of the round, will be ranked higher;
  - d) The team having the best ratio of points for/against, considering games played between the tied teams, will be ranked higher;
  - e) The team having the best ratio of points for/against, considering all games played during the round, will be ranked higher.

When applying this rule to break a tie the following sequence is used:

- When two teams are tied, the tie-breaking criteria are applied one after the other until the tie has been broken.
- When three or more teams are tied, the tie-breaker criteria are applied one after the other until all the tied teams have been ranked.

Note: This means that if there is a tie among teams X, Y, and Z and criteria 'b' is able to determine X as first, Y as second and Z as third, then no further criteria are to be used. The tie is broken.

However, if criteria "b" determines X as first and there is still a tie between Y and Z, then the ranking of the remaining teams will be determined by proceeding to criteria "c" and so on, if necessary. Do not start at (a) again and continue through the sequence of criteria.

## **6.0 Championship Categories and Playoff Procedures**

Playoffs will be organized within the LDA, TVDSB Central and South East divisions and lead to WOSSAA representation.

- 6.1 Playoff dates, locations and times should be announced no later than the pre-season meeting for that sport season.
- 6.2 In LDA and TVDSB Central, teams will playoff within their school classifications. League standings will be used to rank the schools within each classification. The number of teams in each classification will influence the playoff format for each classification.
- 6.3 In TVRA South East, playoff ranking will be determined based upon divisional league play standings. The top 6 teams in each of the South and East divisions will enter the playoffs and challenge for the TVDSB South East Championship.
- 6.4 All playoff games are to be played on centre court. If the facility does not have a centre court or cannot play the match on the centre court due to structural complications of the court, the SAC chair is to be informed prior to the scheduling

of the playoffs. Members of the SAC will then decide whether an exception will be made based on the rationale from the host school.

## **7.0 Advancement to WOSSAA, OFSAA**

**7.1** The winner of the London District division in each classification and the winner of the TVDSB Central division in each classification will qualify for WOSSAA tournament play.

**7.2** In TVDSB South East, the team in each classification that makes it furthest in the playoff draw will advance to WOSSAA.

a) Conference crossover matches will only take place at the Semi-Finals and Finals.

b) WOSSAA Qualifier matches will only take place between cross conference teams and only when losing at the same round of playoffs.

For example, in the event two "A" South teams exit from the playoffs in the same round then the highest seeded team (based on league standings) entering the playoffs will be granted the WOSSAA berth. Please note there will not be a WOSSAA qualifier match played as both teams are from the same division (there is not an East "A" team).
